## ABOUT THE CONFERENCE

The National Conference on Innovations & Research in Science and Technology (NCIRST-2021) will bring together students, faculties, researchers and industry experts to deliberate on recent innovations in computing, wireless communication and its applications. It will provide one of the best forums for engineers and technocrats in academia, industry and government to address the resulting profound challenges and to present and discuss their new ideas and research results. This conference will bring best quality research, innovations to promote researchers globally.

## INSTRUCTION TO AUTHOR

Paper must be written as IOSR journal format <http://iosrjournals.org/manuscript-guidelines.html> Limit to 6 pages. Author should describe original work. All submitted paper shall be checked for plagiarism, blind reviewed by expert on basis of originality, significance and research contribution. Please feel free ask your query to email [hodcomp@engg.sreir.org](mailto:hodcomp@engg.sreir.org)

## TRACK'S FOR RESEARCH PAPER

Suggested Tracks for Conference are as Follows:

### Computer /IT Engineering

- Internet of Thing (IOT) & Mobility
- Artificial Intelligence , Machine Learning & Neural Network
- Cloud Computing & Application
- Cyber/Network Security
- Data mining & Database Technology

### Electronics & Telecommunication/ Electrical Engineering

- VLSI design & Embedded
- Signal & image processing
- Optical communication & network
- Wirless/mobile communication/RF communication
- Power Electronics

### Civil Engineering

- Design of sustainable building.
- Intelligence system in civil engineering
- Repair and rehabilitation of structure
- Soil retention technique
- Environmental studies on different parameters

### Mechanical/ Auto Engineering

- Thermal Engineering
- CAD- CAM
- Design
- Robotic & Automation
- Manufacturing & Material Science
